

REPORT ON WORKSHOP FOR PARENTS 2022-23

Our school had conducted various workshops for parent throughout the year 2021-22. A workshop was conducted on **Good Parenting** by famous child psychologist **Dr. Jaya Shiwalkar** mam who guided parents on good parenting , understanding students, and adolescence challenges

Mrs. Kalyani Bhosekar took workshop in the school for parents. It was about the combination of test that tells you about students innate learning style, study skills, exam anxiety analysis, memory retention analysis.

It proved very useful for parentst in handling their wards.

Mr. Mithilesh Deshpande organised a workshop for parents. He introduced a app called **GENEO** which will help students to learn a particular topic with many different sources and can choose a learning method for them. It is also helpful for students to understand and learn the subject according to their interest.

Overall this workshop proved to be very beneficial to parents.
